**Cable Despatches.**  
LONDON, September 18.—The registration of voters for the Parliamentary elections, which commenced about the 18th of November, is being prosecuted with great diligence throughout the British Isles. At many places women formally demanded that their names be placed upon the lists of voters, on the ground that they possessed the property qualifications prescribed by the reform bill, and the legal aspects of the question, as well as the extent of the movement, have excited much public interest on the subject. Over 6,000 women claimed the right to be registered in Manchester alone, and their demands were urged in an able speech before the registering officials by Miss Lydia Becker. After argument on both sides, the claim was disallowed. Similar proceedings took place in other towns, and in some cases the question was reserved for legal decision. A case has finally been brought before the judges at Westminster, and they have over-ruled the application of women to be registered as voters, on the ground that an amendment to the reform bill, which was proposed in the House of Commons by Mr. Mill, substituting the word "person" for "man," was rejected, and that by this action the House clearly indicated the extent and purpose of the bill in this respect.

**News Items.**  
CHARLESTON, September 19.—Arrived—schooner A. G. Ireland, New York; schooner Watauga, Philadelphia. Sailed—steamer Manhattan, New York.

AUGUSTA, September 19.—James N. Ellis, local editor of the *National Republican*, died suddenly this morning. NEW ORLEANS, September 19.—The Senate, yesterday, passed, finally, the negro equality bill, which prevents distinctions in any places of public resort or public conveyances, under a penalty of fine and imprisonment.

At the instance of prominent Democrats, Governor Warmouth appointed George A. Fosdick, Vice-President of the New Orleans Chamber of Commerce, a member of the State Board of Registration. The other two members are Republicans. At a meeting of the State Board, on the 17th instant, it was decided that they would not, under any circumstances whatever, permit a Democrat to practice on any of the Boards of Supervisors. Mr. Fosdick presented a protest against this action, but the Chairman and one member, constituting a majority, refused to recede from their position.

OMAHA, September 19.—A party of Government surveyors, on the South fork of Republican River, were surprised by Indians, and one killed; the rest escaped. They lost their instruments, supplies, and one team.

**Affairs in Washington.**  
WASHINGTON, September 19.—There is little hope of a quorum on Monday, at noon; but it is understood that officials of either house regarded they have the power to take a recess and put off the congressional day indefinitely. On this theory, Monday's session may cover a week or two. There seems no doubt of an ultimate quorum, when, as agreed by the conference, at which Wade, Colfax, Schenck, and others were present, Congress will be adjourned to the 15th of October.

A. G. Riddle has entered suit, in the name of A. H. and Eliza T. Morehead, against Cornelius Boyle, formerly of this city, but afterwards of the Confederate army and present owner of the White Sulphur Springs, Va., for \$35,000 damages. The plaintiffs allege that the defendant arrested Mrs. Morehead and imprisoned her for the space of three years, from the 1st of June, 1861, and prevented her from returning to the care and society of her husband and children. Dr. Boyle was Provost Marshal in the Confederate service, and alleges that, under the orders of Gen. Beauregard, he prevented the plaintiff from crossing and recrossing the line.

It is stated that Hon. A. H. Stephens' mission here is to obtain access to the Confederate archives held by the Government, to aid him in the history of the war which he is writing. His success is probable. Internal revenue receipts, to-day, \$193,000.

The *Denyer Tribune* makes Bradford's majority for Congress 662, with two precincts to hear from. Turkish agents are looking up homes in Maryland and Delaware for a number of Argentine families.

**A CARD.**  
The undersigned, having sold his entire interest in the Hotel known as the "NICKERSON HOUSE," in Columbia, S. C., would take great pleasure in recommending his friends to continue their patronage to the new Proprietors.

Mr. WRIGHT has had charge of the Hotel for me, for a year past, and will continue to have the entire management of the Hotel, under the new arrangement. I feel assured that the House will maintain its former reputation as a first-class Hotel.

## Life Insurance! Life Insurance!!

THE PIEDMONT LIFE INSURANCE COMPANY, of Virginia, offers inducements for Life Insurance never before extended by any Company in Europe or America. It has seven kinds of policies, all non-forfeiting and at lower rates than any Northern company, for the simple reason that Northern companies profess to believe that their people live longer than Southern people, when the very reverse is the fact; hence, with few exceptions, they charge considerably more on Southern than they do on Northern lives. The PIEDMONT only requires one-half cash, with interest, at 6 per cent., on the other half. All policy holders become stockholders in the Company, and are entitled to large dividends, as dividends are declared on the amount of business done, and this Company has had a success never before realized by any company in the world. For the first six months of its business, its profits were upwards of \$90,000. It charges no interest or policy fees for clerical men. For further particulars, call on S. L. LEAPHART, General Agent, Columbia, South Carolina, Office Adjoining Post Office. Sept 20 6

**THE QUEEN'S DELIGHT.**  
THE best and most popular Medicine in use. The Queen's Delight is the great Blood Purifier. The Queen's Delight is a safe Alternative. The Queen's Delight is a certain cure for Diseases of the Blood. The Queen's Delight is the best Liver Invigorator. The Queen's Delight is the medicine for Scrofula. The Queen's Delight is given for Head-aches. The Queen's Delight is for Nervous Affections. The Queen's Delight will cure all Skin Diseases. The Queen's Delight will remove Blisters, and Eruptions. The Queen's Delight will cure Chills and Fever. The Queen's Delight will cure Cancer and Indolent Tumors. The Queen's Delight will cure Erysipelas and Carbuncles. The Queen's Delight will cure Asthma. The Queen's Delight will cure Bronchitis. The Queen's Delight will cure all Female Complaints. The Queen's Delight will restore the lost Energies of Man. The Queen's Delight will restore the Feeble to Health. The Queen's Delight for Young and Pale-faced Creatures. The Queen's Delight has secured the favor of the People. The Queen's Delight is now the great Family Medicine. The Queen's Delight has been tried, and gives universal satisfaction. The Queen's Delight should be in every Family. The Queen's Delight is the cheapest as well as the best Medicine you can give. The life of the flesh is pure blood. Upon this theory alone the inventor of the Queen's Delight establishes the great hygienic law, without pure blood no flesh is free from disease. The Pale and Shrunken Forms, Yellow Faces, Weak Stomachs, Diseased Livers, Crippled Rheumatics, Nervous Hypochondriacs, Dyspeptic Victims of Headache, so common in this country, is owing entirely to the humors of the blood. Very many other diseases may be traced to blood impurities, or King's Evil, Erysipelas, Exanthema, or Elevation, a Rash or Eruption on the face, Blisters, Tetters, Goitre or Swelled Neck, Syphilis and Syphilitic Sores, Strumous Ulcers, &c. These cannot be cured without purifying the blood. Now as to the remedy. There is no other blood purifier that will accomplish such positive and extraordinary cures as Heintz's Queen's Delight. You may take a barrel of extract Sarsaparilla, and still you will not be cured; and as a proof of it, look around and you will observe the country, throughout its length and breadth, is flooded with compound Sarsaparillas, extracts and syrups, claiming to be blood purifiers, and yet we see to-day more evidence of impurity of the blood than ever. Why is this? Simply because these extracts and Sarsaparillas are worthless medicines. Ask for Heintz's Queen's Delight. This is not the Extract of Stellingia or Queen's Delight, nor is it a Compound Syrup of Queen's Delight, or Sarsaparilla, and Queen's Delight, but it is Heintz's Queen's Delight, the trade mark. Ask for this, if you want to be cured, and ask that the name of E. H. Heintz be on the wrapper. Prepared only by E. H. Heintz, Wholesale agents, FISHER & HEINTZ, Columbia, S. C. August 15 4
